Subject: ELECTRICAL RECEPTACLES

Good afternoon Robert,

In order to support the NERL Las Vegas EDDP/Consolidation efforts, I would like to install two (2) electrical receptacles on the North wall of the Sunrise Warehouse office space. The electrical receptacles will service the laminator/plotter on the North wall. Please refer to the attached SOW and Floor Plan/Diagram for details.

We are relocating some of our personnel and activities from the UNLV Campus to the warehouse office area at the end of this month while the environmental sampling is underway. I would like this work request done ASAP.

Thank you,

Robert W. Andrews Jr.
